RESOLUTION—by the Government of India, Department of Finance and Commerce.

Read again—

Resolution in this Department, No. 59, dated the 11th January 1882, relating to the issue of duplicates of Government Promissory Notes alleged to have been lost or destroyed.

Proceedings in this Department (Accounts and Finance) for the month of November 1882, Nos. 1644 to 1650, relating to the extension to Madras and Bombay of the scale of fees authorised for the Government Solicitor, Calcutta, for the preparation of Bonds of Indemnity in cases of issue of duplicates of lost Government Promissory Notes.

Read also—

Letter from the Comptroller-General, No. 478D, dated the 30th September 1882, forwarding copy of correspondence with the Government Solicitor, in which certain questions are raised in connection with the payment of interest on and issue of duplicates of lost Government Promissory Notes.

RESOLUTION—Certain new rules on the subject of indemnity bonds having been prescribed by the Government of India, it is desirable that, as suggested by the Comptroller-General, all the orders of Government relating to claims to lost Promissory Notes should

be consolidated for the sake of convenience. The following rules are accordingly prescribed in supersession of the orders cited in the preamble :—

- (1) Claims to draw interest in respect of a promissory note of which either one-half or the whole has been lost, or for the issue of a duplicate in lieu of such note should be made to the Public Debt Office, Calcutta, Madras, and Bombay, as the case may be, by which the necessary preliminary enquiries will be made, and under whose directions an advertisement will be issued three times in the Government Gazette of the province in which the loss is alleged to have occurred, and three times in the *Gazette of India*.
- (2) If one-half of the note is produced, the case should be submitted by the Public Debt Office, Calcutta, to the Comptroller-General for orders six months after the date of the last advertisement, and if he considers the claim to be sufficiently proved, he may direct the issue of a duplicate, in lieu of the lost note, after execution of a bond of indemnity, with or without sureties.
- (3) Every claim to the issue of a duplicate note in lieu of one alleged to be wholly lost will be submitted by the Public Debt Office to be provisionally decided by the Comptroller-General after at least two years have elapsed from the date of the last correct advertisement.
- (4) If there appears to be no objection to the issue of a duplicate note to the claimant, the Comptroller-General will record his opinion to that effect, and will direct that interest upon the note be paid to the claimant after execution of a bond of indemnity with two sufficient sureties.
- (5) The indemnity given for payment of interest should be for twice the amount of interest payable under it, but not exceeding the amount of the principal of the lost notes, and all indemnity bonds should contain the condition that the payment of interest shall cease when the time has come when the applicant may under rules 6 and 7 receive a duplicate note.
- (6) If the note is payable after notice given in the *Gazette*, the Comptroller-General will give that notice and will (unless any reason to the contrary appears) issue a duplicate note, on indemnity bond, six years after the date of payment fixed in such notice. The applicant should execute a fresh bond of indemnity at the time of receiving a duplicate note.
- (7) But if the note is of a loan of which such notice of payment cannot immediately be given, then no further steps can be taken until notice of payment can be given in accordance with the terms of the loan. The requisite notice will then be given, and six years after the date of payment fixed in such notice a duplicate may be issued as directed in Rule 6.
- (8) The Comptroller-General will publish notices under Rule 6 twice a year, about January and again about July, and will to each such notice append a list shewing the numbers of notes already, within the last six years, advertised for payment under this Resolution. Notes of which duplicates have been issued under Rule 2, and also any notes of which the Comptroller-General may, under the advice of the Law Officers of Government, have sanctioned renewal under bond of indemnity, should be included in these notices.
- (9) These orders will apply to all notes on which, under existing rules interest has been ordered to be paid, but of which duplicates have not yet been issued.
